

Quality, Integrity and Accountability in Reentry and Treatment Services

FACILITY: Philadelphia, PA

Sexual Abuse Prevention (SAP) Program Annual Report

PREA Standard 115.288 (b) requires the agency to complete an agency’s annual report that includes a comparison of the current year’s data and corrective actions with those from prior years and provide an assessment of the agency’s progress in addressing sexual abuse. This report provides a summary of the sexual incident report data collected in 2024, it compares reporting data with the previous year, summarizes problems and corrective actions completed, changes made to improve compliance with PREA standards, and identifies continued needs for compliance for the Kintock Group, Inc.

1. Summary of incident report data for 2024
